Reviewer’s report

Title: A framework for outcome-level evaluation of in-service training of health care workers

Version: 2 Date: 21 December 2012

Reviewer: Mohsin Sidat

Reviewer’s report:

The authors have revised their manuscript and the current version addresses very well issues that were raised previously and is now of excellent quality. Minor revisions and corrections are required in some references that are incorrect and/or incomplete.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
