Version: 3 Date: 16 August 2013

Reviewer: Bernadette Rodak

Reviewer’s report:

Major - None
Minor-None
Discretionary:
On page 9 of the track changes document, I found 2 grammatical concerns:
line 4 : revealed some of weaknesses: delete the "of"
I found the last sentence on that page awkward - perhaps "successfully develop and implement standardized curriculum (delete "of"), train faculty, students to become competent by practical hands on experience with ART equipment" -

Level of interest: An article of importance in its field

Quality of written English: Acceptable
