Reviewer's report

Title: Conducting Appropriate Evaluations of Continuing Medical Education in Post-Conflict areas Is Essential to Assure Effectiveness-Qualitative Assessment in Nagorno Karabagh-A Qualitative Study

Version: 1  Date: 24 March 2014

Reviewer: Anna Wloszczak-Szubzda

Reviewer's report:

Discretionary Revisions
1. Whether a standardized interview questionnaire was?
2. If so, how?
3. Is it possible to create a new educational program based on the presented research?

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
