Reviewer's report

Title: Personnel planning in general practices: development and testing of a skill mix analysis method

Version: 7 Date: 20 August 2014

Reviewer: Keith Masnick

Reviewer's report:

The article is ready for publication. As a minor comment it would interesting to know if the authors will offer their websites in English so as to make them available for a wider audience.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
