Reviewer's report

Title: Source country perceptions, experiences and recommendations regarding health workforce migration: A case study from the Philippines

Version: 2 Date: 5 October 2014

Reviewer: Sonali Johnson

Reviewer's report:

The paper is significantly improved from the previous draft in terms of analysis, structure and flow.
No other major revisions are therefore suggested.

Minor essential revisions
- Don't need to put the sentence where there is the example of the code 'hospital loses staff'

Also, I don't understand the quote 'Because your today is 'to die' and...' It is unclear what this points illustrates.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
