Reviewer's report

Title: Conceptualizing the Impacts of Dual Practice on the Retention of Public Sector Doctors - Evidence from South Africa

Version: 1 Date: 16 September 2014

Reviewer: Uta Lehmann

Reviewer's report:

This is an excellent submission, of great relevance to this journal, clear in its scope and not overly ambitious, well structured and making an important contribution in its field.

All I recommend is that it be given a minor (polishing) language edit. Otherwise I recommend to publish as is.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
