Reviewer's report

Title: Policymakers' and other stakeholders' perceptions of key considerations for health system decisions and the presentation of evidence to inform those considerations: an international survey

Version: 2 Date: 20 May 2013

Reviewer: Fadi El-Jardali

Reviewer's report:

I reviewed authors' response to the reviewers' comments and suggestions, and I believe that they have done excellent job in addressing the comments including the changes they made to the manuscript to improve it. They provided detailed and comprehensive response to comments and suggestions.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
