Reviewer's report

Title: Improving the Use of Research Evidence in Guideline Development: 3. Group Composition

Version: 3 Date: 4 October 2006

Reviewer: Francoise Cluzeau

Reviewer's report:

General
Thank you for sending me the revised manuscript. I am content with the changes the authors have made.

-----------------------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
