Title: Consumer input into research: the Australian Cancer Trials website

Version: 1 Date: 24 May 2011

Reviewer: Carla Saunders

Reviewer's report:

Discretionary revisions (which are recommendations for improvement but which the author can choose to ignore)
Could a brief description of the critical success factors for involving consumers could be provided by the authors i.e. What would they recommend to others when it comes to working with consumers in a technical area such as this?

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
