Reviewer's report

Title: National, regional, and global trends in overweight and obesity

Version: 2 Date: 17 August 2012

Reviewer: Tanja Srebotnjak

Reviewer's report:

Thank you for sending me both the link to the response by the authors to my comments for the first review and the word version of the document.

I've reviewed both now (the letter with the responses still contains a comment and hence does not look 100% final, but I've ignored this) and conclude that the authors have adequately addressed my comments and a recommend the paper for publication.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
