Reviewer's report

Title: State of Progress in Treating Cystic Fibrosis Respiratory Disease

Version: 3 Date: 17 July 2012

Reviewer: Clement L Ren

Reviewer's report:

The authors have responded to all my comments in a satisfactory fashion. I appreciate the need to adhere to word limits. I have no further comments or suggestions. This manuscript will be a valuable resource for clinicians and researchers interested in learning the latest developments in CF therapeutics.

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
