Reviewer's report

Title: Self-prescribing among young doctors: a nine-year follow-up study of a nationwide sample

Version: 1 Date: 8 August 2005

Reviewer: Chris Del Mar

Reviewer's report:

General

This is a meticulously executed study. It was a pleasure to read.

----------------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None

----------------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

None

----------------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

Which journal?: Appropriate or potentially appropriate for BMC Medicine: an article of outstanding merit and interest in its field

What next?: Accept for publication in BMC Medicine without revision

Quality of written English: Acceptable

Statistical review: No
