Reviewer's report

Title: The effect of giving influenza vaccination to general practitioners: a controlled trial [NCT00221676]

Version: 2 Date: 5 May 2006

Reviewer: Eelko Hak

Reviewer's report:

General

---------------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None

---------------------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

None

---------------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)

Which journal?: Appropriate or potentially appropriate for BMC Medicine: an article of importance in its field

What next?: Accept for publication in BMC Medicine without revision

Quality of written English: Acceptable

Statistical review: No
