Reviewer's report

Title: Can user testing of a clinical trial patient information sheet make it fit-for-purpose? - a randomised controlled trial

Version: 2 Date: 26 May 2011

Reviewer: Karel van der Waarde

Reviewer's report:

The paper has considered my remarks and amended the text accordingly. I think it is worth publishing. [I am not able to judge the quality of the English language: please make sure that a native speaker/editor/corrector reads the text before publication.]

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
