Reviewer’s report

Title: Health services for reproductive tract infections among female migrants in industrial zones in Viet Nam: an in-depth assessment

Version: 1 Date: 11 January 2012

Reviewer: Elisabeth M Vieira

Reviewer’s report:

Minor Essential Revisions

The author can be trusted to make these. For example, missing labels on figures, the wrong use of a term, spelling mistakes.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I do not have any conflict of interest regarding the paper I reviewed. Elisabeth Meloni Vieira.
