Reviewer's report

Title: Study Protocol: Phase III single-blinded fast-track pragmatic randomised controlled trial of a complex intervention for breathlessness in advanced disease.

Version: 2 Date: 28 April 2011

Reviewer: Taixiang Wu

Reviewer's report:

I just don't understand why register twice in ClinicalTrials.gov NCT00678405 and Current Controlled Trials ISRCTN04119516, respectively. You can choice anyone of them and your record will appeared in both WHO ICTRP and the Registry you registered.

Level of interest: An exceptional article

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
