Reviewer's report

Title: Who is the research subject in cluster randomized trials in health research?

Version: 3 Date: 30 June 2011

Reviewer: Charlie Goldsmith

Reviewer's report:

1. P(age) 6, (paragrap)h 2, (line) 3. Replace [significant] by [important]. Also P 15, p 3, l 4. These are both in language added in this most recent draft.

2. P 37, p 2, l 4. Since [novel] is deleted from the text, it should also be deleted from the Box title on P 46, l 1.
