Reviewer's report

Title: Detection of silent myocardial ischemia in asymptomatic diabetic patients: results of a randomized trial and meta-analysis assessing the effectiveness of systematic screening

Version: 2 Date: 7 December 2010

Reviewer: jean-jacques altman

Reviewer's report:

I did not get the modifications I wanted, but I think, and the other reviewer too that this study must be published. I think it is useless to spend more time now, them or myself. It can be published in that state.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
