Reviewer’s report

Title: An effectiveness study of an integrated, community-based package for maternal, newborn, child and HIV care in South Africa

Version: 3 Date: 26 October 2011

Reviewer: John Norrie

Reviewer’s report:

The authors have responded comprehensively and convincingly to all the (statistical) reviewers comments, and have made appropriate changes which have resulted in greater clarity in the revised paper. There are no additional comments on the revised paper.
