Reviewer's report

Title: Prevention of hypertension in patients with pre-hypertension: PREVER-prevention trial

Version: 5 Date: 28 December 2010

Reviewer: Luis Ruilope

Reviewer's report:

The follow-up is short and a further follow-up to confirm the positive data (if any) of the diuretic over placebo remains.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.
