Reviewer's report

Title: Accrual and drop out in a primary prevention randomised controlled trial: qualitative study.

Version: 2 Date: 6 August 2010

Reviewer: Jonathan Graffy

Reviewer's report:

Revisions
I am happy that the authors have addressed the points raised by the previous reviews.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I have worked with the lead author in the past but have had no involvement with this research.
