Reviewer's report

Title: Commentary: Why We Should Report Results from Clinical Trial Pilot Studies

Version: 1 Date: 24 August 2012

Reviewer: Barry R Davis

Reviewer's report:

Major Compulsory Revisions
None

Minor Essential Revisions
This is a very well-written, useful commentary. My only critique is that it would be very helpful for the author to give at least one if not two examples of a pilot study (internal and otherwise).

Discretionary Revisions
None

Level of interest: An article of importance in its field

Quality of written English: Acceptable
