Reviewer's report

Title: Quinolone Prophylaxis for the Prevention of BK Virus Infection in Kidney Transplantation: Study Protocol for a Pilot Randomized Controlled Trial

Version: 2 Date: 21 May 2013

Reviewer: Jacques Lacroix

Reviewer's report:

This protocol needs only minor revisions by the authors:
• The authors should take into account the comments made by Dr Helanterä.
• Page 8, section entitled “Other Trial Manoeuvres”, 6th line: “C. difficile” rather than C. Difficile”.
• Page 10, section entitled “Outcome Measures”, 13th line: “E. coli” rather than “E. Coli”.
• The references must be formatted according to the editorial standards of the journal TRIALS.
  o In the body text, references must be reported with plain text and between brackets; thus, they must look like [1-3] rather than 1-3 (superscript).
  o In each reference, all authors must be listed, up to 30 authors, before adding “et al”.
  o The list of authors must be ended by a colon ( : ) rather than a period ( . ) (all references).
  o The title must be printed in bold characters (all references).
  o The name of the journal must be in italics (all references).
  o Put a comma after year of publication (example: 1999, 200:149-170).
  o Volume must be printed in bold characters (all references).
  o Delete number of issue, unless there is a supplement (xx references).
  o Please, provide full range of pages (references 7, 8, 10, etc).
  o References 7, 8, 11, 13, 17-21, 23, 25-32, 34-41. – Put year of publication before the volume.
