Reviewer’s report

Title: Surgical trials and trial registers: A cross-sectional study of randomized controlled trials published in journals requiring trial registration in their author instructions

Version: 2 Date: 10 October 2013

Reviewer: Andrew Prayle

Reviewer's report:

The authors have addressed all of my major issues with the manuscript. They have also addressed my minor revisions.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I have no financial competing interests. I have previously published work in the area of trial registration and results dissemination.
