Reviewer’s report

Title: Effect of acupuncture on patients with insomnia: A study protocol for a randomized controlled trial

Version: 4 Date: 6 September 2014

Reviewer: Wing-Fai Yeung

Reviewer's report:

The authors have done a nice job of responding to the initial review comments. It is now acceptable for publication. I believe this study would make a useful contribution. Good luck to Han, Kim, and Chung!

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I am a Co-I of an ongoing trial of acupuncture in combination with auricular acupuncture for insomnia.
