Reviewer's report

Title: Acupuncture for adolescents with mild-to-moderate myopia: The study protocol for a randomized controlled trial

Version: 2  Date: 23 October 2014

Reviewer: Cun-Zhi Liu

Reviewer's report:

The authors present a protocol for a randomized, parallel, controlled clinical trial to treat mild-to-moderate myopia.

There are no major compulsory revisions except some minor essential revisions about figures.
1. Figure 1 change the last “Follow-up 2+ outcome” on the right to “Follow-up 3+ outcome”.
2. Figure 2 change “cuanzho” to “cuanzhu”.

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
