Reviewer’s report

Title: Fully customized placement of orthodontic miniplates: A novel clinical technique

Version: 3
Date: 12 March 2014

Reviewer: dirk bister

Reviewer’s report:

Dear Sir / Madam,
this is a very interesting article describing a new application and technique. The manuscript is well illustrated and should be published. I have made a number of annotations to the text which the authors may find helpful for revision.
Kind regards,

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

This has been sufficiently addressed by the authors.
