Reviewer’s report

Title: Thermography and Thermoregulation of the face

Version: 2 Date: 30 October 2006

Reviewer: Jim Waterhouse

Reviewer’s report:

General
I refer the authors to my original report

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
I refer the authors to my original report

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
I refer the authors to my original report

Discretionary Revisions (which the author can choose to ignore)
I refer the authors to my original report

What next?: Unable to decide on acceptance or rejection until the authors have responded to the major compulsory revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.
