Reviewer's report

Title: Penetrating facial injury from angle grinder use: management and prevention

Version: 2 Date: 20 November 2007

Reviewer: Matthias Christian C Grieshaber

Reviewer's report:

General
The suggestions have been satisfactorily been included in the revision.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable
