Reviewer's report

Title: Human papillomavirus-mediated carcinogenesis and HPV-associated oral and oropharyngeal squamous cell carcinoma. Part II: Human papillomavirus associated oral and oropharyngeal squamous cell carcinoma

Version: 1 Date: 8 March 2010

Reviewer: Amanda Psyrri

Reviewer's report:

English is poor. It is often hard to understand. It needs to be rewritten. Add reference by Rampias T et al (JNCI) on experimental evidence that HPV is involved in H&N cancer.

Level of interest: An article of importance in its field

Quality of written English: Not suitable for publication unless extensively edited

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
