Reviewer's report

Title: Explaining variation in GP referral rates for x-rays for back pain

Version: 2 Date: 7 July 2006

Reviewer: Carolyn Chew-Graham

Reviewer’s report:

I have looked at the revised paper in light of both my initial review and that of the second reviewer. I feel the paper is acceptable for publication.

What next?: Accept without revision

Level of interest: An article of limited interest

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
