Reviewer's report

Title: What can management theories offer evidence-based practice? A comparative analysis of measurement tools for organisational context

Version: 2 Date: 18 March 2009

Reviewer: Maxine Robertson

Reviewer's report:

I am happy that the author's have fully addressed my comments and have emphasised that theories and frameworks from org theory do not necessarily translate well into health care.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
