Reviewer’s report

Title: Documenting the experiences of health workers expected to implement guidelines during an intervention study in Kenyan hospitals.

Version: 3 Date: 1 April 2009

Reviewer: Stefan Peterson

Reviewer’s report:

I congratulate the authors on a much improved paper and would like to second the editor’s decision to send it to a reviewer with interest in behavioural frameworks, which is not my area of expertise.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
