Reviewer's report

Title: Twelve years of clinical practice guideline development, dissemination and evaluation in Canada (1994 to 2005)

Version: 2 Date: 30 May 2009

Reviewer: Francoise Cluzeau

Reviewer's report:

I have read the revised manuscript submitted by the authors against the response to the reviewer's comments, and their response in the covering letter.

Major Compulsory Revisions: None

Minor Essential Revisions: I am satisfied that these have been addressed or responded to adequately

Discretionary Revisions: same as above

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

Declaration of interest: None.
