Reviewer's report

Title: Designing an automated clinical decision support system to match clinical practice guidelines for opioid therapy for chronic pain

Version: 2 Date: 8 January 2010

Reviewer: Steven Dobscha

Reviewer's report:

The authors have responded comprehensively to each of my previous concerns. I think this is a strong manuscript presenting an important topic.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
