Reviewer's report

Title: Embedding effective depression care: using theory for primary care organisational and systems change

Version: 3 Date: 7 June 2010

Reviewer: Lynne Nemeth

Reviewer's report:

1) The revisions to this manuscript address the concerns raised by the reviewers and I see no major compulsory or minor essential revisions needed.

2) Table 4 might be considered "supplemental material".

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
