Reviewer's report

Title: The DIAMOND Initiative: Implementing Collaborative Care for Depression in 75 Primary Care Clinics

Version: 2 Date: 31 July 2013

Reviewer: Geoffrey Curran

Reviewer's report:

I think the authors did an very good job responding to all of the reviewers' comments and suggestions. The paper is clearer, better situated in the literature, and prepares the readers well for the findings to come from the study.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
