Reviewer’s report

Title: Directed Funding to Address Under-Provision of Treatment for Substance Use Disorders: A quantitative study

Version: 1 Date: 6 November 2012

Reviewer: Peter Anderson

Reviewer’s report:

This is a very clear, well-written and balanced paper reporting a well-executed study. The methods are appropriate, the results are clearly expressed, and the tables and figures easily understandable. The discussions and conclusions are entirely appropriate and policy relevant. I have no suggestions for revisions.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
