Reviewer's report

Title: "Brace technology" thematic series - The Sforzesco and Sibilla braces, and the SPoRT (Symmetric, Patient oriented, Rigid, Three-dimensional, active) concept

Version: 3 Date: 17 March 2011

Reviewer: Luke Stikeleather

Reviewer's report:

I applaud the author's revision of the manuscript with the abridged version being a more appealing introduction to the Sforzesco-SPoRT approach.
I offer a word doc. attachment with Minor Essential Revisions for their consideration.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
