Reviewer's report

Title: Case report: orthotic treatment of adult scoliosis patients with chronic back pain

Version: 5  Date: 21 September 2014

Reviewer: Jean Claude de Mauroy

Reviewer's report:

The "case report" is well documented and illustrated with presentation of the whole group of patients treated.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Declaration of competing interests:
