Reviewer’s report

Title: Cardiopulmonary Bypass Via Common Carotid Artery Cannulation in Redo Sternotomy.

Version: 2 Date: 23 June 2007

Reviewer: Vipin Zamvar

Reviewer’s report:

General:

-------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable
