Reviewer’s report

Title: Primary Cardiac Sarcoma: Reports of Two Cases and a Review of Current Literature

Version: 1 Date: 18 March 2007

Reviewer: Lakshman Bahadur Paudyal Kshatri

Reviewer’s report:

General

-----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None.

-----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Needs rechecking for minor errors like commas etc.

-----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

Perhaps, it would have been useful to include few more pictures (Echocardiographic and CT images.

What next?: Accept after minor essential revisions

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
