Reviewer's report

Title: Current role of surgery in Small Cell Lung Carcinoma

Version: 1 Date: 20 May 2009

Reviewer: George P Aislaitner

Reviewer's report:

It is a well written paper presenting in a comprehensive and concise way the arguments for the inclusion of surgery in the treatment of SCLC. A “mini”-review of the available literature has been performed.

Minor editing revisions are included in a document with tracking changes.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
