Reviewer's report

Title: Outcome of open and endovascular repair in acute type B aortic dissection

Version: 1 Date: 12 January 2010

Reviewer: Elvio Covino

Reviewer's report:

The question posed by the authors is new and well defined
The methods are appropriate and well described, and details provided to replicate the work are sufficient
The manuscript adhere to the relevant standards for reporting and data deposition
The discussion and conclusions are well balanced and adequately supported by the data
The title and abstract accurately convey what has been found
The writing is acceptable

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
