Reviewer's report

Title: Why are heart operations postponed?

Version: 1 Date: 18 April 2011

Reviewer: Srtillianos Koutsias

Reviewer's report:

The data presented to cover it are adequate; what could be improved is the literature section, with the addition of extra references, although this might be difficult due to the originality of the subject.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
