Reviewer's report

Title: What factors predict recurrence of a spontaneous pneumothorax?

Version: 1 Date: 21 May 2012

Reviewer: Iwao Mikami

Reviewer's report:

The recurrence of a spontaneous pneumothorax is one of the problems for thoracic surgeons. This paper is good for us to know the predicted factors of the recurrence.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
