Reviewer’s report

Title: Transapical Extirpation of a Left Ventricular Thrombus in Takotsubo Cardiomyopathy

Version: 1 Date: 21 February 2013

Reviewer: Toshiro Kobayashi

Reviewer’s report:

Suzuki et al described in this paper about surgical extirpation of a left ventricular thrombus in Takotsubo Cardiomyopathy. This case thought to be a rare case report and it is very valuable to be published in journal.
