Title: The willingness for a change

Version: 1 Date: 19 March 2013

Reviewer’s report:

This “letter to the Editor” is nicely written and I enjoyed reading it. Therefore I recommend publishing, since I believe it will be pleasantly read by the readers and, most importantly, it will increase awareness in how we should adopt and deal with changes and with established protocols that need to be challenged.

Minor points of criticism (discretionary revision) include

1. At the introduction section it is written: “It was once said, by the physician Oliver W. Holmes, “I firmly…. ” And then again three lines after: “The above quotation was used by the prominent physician (1) and writer of the 19th century O. W. Holmes.

a. This second sentence repeats the previous and is unnecessary

2. References 1,2,and 3 perhaps need to be better checked

Best regards
