Reviewer’s report

Title: Airway trauma: a review on epidemiology, mechanisms of injury, diagnosis and treatment

Version: 1 Date: 12 May 2014

Reviewer: Ioannis Koukis

Reviewer’s report:

1. Major Compulsory Revisions: None
2. Minor Essential Revisions: The authors could re check the quality of written english and the fluency of the manuscript especially in sections Background, Epidemiology and Conclusions. Otherwise the paper reads well. There also are a few spelling mistakes.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.
