Reviewer's report

Title: A Rare Case of Sinus of Valsalva-Right Atrial Fistula Secondary to an Abscess Perforation from Underlying Aortic Valve Endocarditis

Version: 1 Date: 16 April 2014

Reviewer: Henrique Murad

Reviewer's report:

Discretionary revisions: a drawing or picture of the surgical procedure would be interesting

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Declaration of competing interests:
